### **Christian Brothers Automotive Opens New Location in Clermont**

**Clermont, FL – (March 19, 2013)** – Christian Brothers Automotive, the automotive repair shop creating a positive “culture shock” in town with its commitment to honesty and integrity, opened a new location this week situated at 2659 E. Highway 50 in Clermont, Florida.

Located just east of the Clermont Water Tower, directly across Hwy 50 from Super Target, the nearly 5,000 square-foot location includes nine service bays, as well as an upscale lobby with a home-charm décor that features leather couches, decorative lighting, artwork and hardwood floors. Christian Brothers also offers a new courtesy shuttle vehicle to transport you to and from work or home while your vehicle is being serviced. Our waiting customers can enjoy free Wi-Fi, coffee and bottled water in our quiet lobby.

“We are excited to serve the Clermont community with integrity and excellence, and provide the ‘Nice difference’ that Christian Brothers is known for,” said Bryce Merideth, who co-owns the new shop with his wife Shannon. “Never again will you have to worry about being taken advantage of in the automotive industry. We are eager to building long-term relationships with our customers.”

Christian Brothers Automotive provides full-service automotive diagnostic testing and evaluation, maintenance programs and repair work for all domestic and foreign vehicles at each of their locations. All Christian Brothers Automotive facilities are staffed with automotive service excellence (ASE) certified technicians.

Bryce and Shannon were both born and raised in central Florida. Bryce worked for the largest rubber manufacturer in the world and was the customer service representative for their Florida commercial accounts. Shannon currently works part time in a dental office, near downtown Orlando. Opening the new Christian Brothers shop is the culmination of Bryce’s lifelong dream to own an automotive service facility. The Merideths have a six month old daughter named Aubrey.
