Christian Brothers Automotive Opens New Location in Mooresville

Mooresville, NC – (July 25, 2014) – Christian Brothers Automotive, the automotive repair shop creating a positive “culture shock” in town with its commitment to honesty and integrity, opened a new location this week situated at 688 Brawley School Road in Mooresville, North Carolina.

Located on Brawley School Road between Brawley Middle School and Parkway Plaza and across from Peninsula Baptist Church, the nearly 5,000 square-foot location includes nine service bays, as well as an upscale lobby with a home-charm décor that features leather couches, decorative lighting, artwork and hardwood floors. Christian Brothers also offers a new courtesy shuttle vehicle to transport you to and from work or home while your vehicle is being serviced. Waiting customers can enjoy free Wi-Fi, coffee and bottled water in the quiet lobby.

“I am extremely thankful to be a part of the Christian Brothers family,” said Carl Garrett, who owns the new shop. “Christian Brothers is very highly rated as a franchise system, and operates as a partnership between the franchisor and franchise partner. That is exactly what I was looking for in a business opportunity.”

Christian Brothers Automotive provides full-service automotive diagnostic testing and evaluation, maintenance programs and repair work for all domestic and foreign vehicles at each of their locations. All Christian Brothers Automotive facilities are staffed with automotive service excellence (ASE) certified technicians.

Carl recently returned from Afghanistan on April 2, 2014, having served a nine month tour of duty with Operation Enduring Freedom in the 207th Regional Support Group. Carl is a North Carolina native and has two sons, Nolan who is 16 years old, and Peyton who is 10. “I am looking forward to serving the Mooresville community with excellent automotive repair,” said Carl. “I know that customers will appreciate the nice difference we offer.”
