Christian Brothers Automotive Opens New Location in Corpus Christi

Corpus Christi, TX – (November 21, 2013) – Christian Brothers Automotive, the complete automotive repair shop creating a “nice difference” in town with its commitment to honesty and integrity, recently opened a new location situated at 6901 S. Staples Street in Corpus Christi, Texas.

Located on Staples Street between Saratoga and Lipes Street, the nearly 5,000 square-foot location includes nine service bays, as well as an upscale lobby with a home-charm décor that features leather couches, decorative lighting, artwork and hardwood floors. Christian Brothers Automotive also provides guests with a Courtesy Shuttle both to and from work and home while their car is being serviced. In addition, customers who wish to wait in-shop for their vehicle can enjoy free Wi-Fi in the comfortable lobby.

After spending many years in the corporate world as school directors, co-owners Ken and Vicki Gidney were looking for a “retirement” opportunity that would enable them to work together again and to provide a legacy for their children and grandchildren. When they were introduced to Christian Brothers Automotive through a family member, they were instantly attracted to the philosophy of ethical and honest business practices and immediately began exploring the opportunity.

“Our family has been vacationing in Corpus Christi for over thirty years and we worked here for nearly two years in the past so we were very excited to find a new business opportunity in a community that we have come to love,” said Ken Gidney. “We look forward to giving our customers the best service humanly possible.”

Christian Brothers Automotive provides full-service automotive diagnostic testing and evaluation, maintenance programs and repair work for all domestic and foreign vehicles at each of their locations. All Christian Brothers Automotive facilities are staffed with automotive service excellence (ASE) certified technicians.

“We are honored to be a part of this great community,” said Ken. “When we opened our doors, it was very apparent that we had made the right choice. The customers have been absolutely wonderful and we hope to continue to make a nice difference.”
